

A first-time offering for this grade level!

Fundations Grade 2

One-Day Workshop

Each full-day Foundations level-specific workshop provides the practice and guidance needed to effectively begin teaching the Foundations curriculum for the designated grade level.

Who: Classroom Teachers, Special Educators, Reading Specialists, Title One Interventionists, ELL Teachers, aspiring Wilson Certified Presenters, RTI Coordinators, and Administrators seeking a shared understanding.

What: Participants will obtain background knowledge and understand the research base of the why and how of Foundations instruction. The skills taught in the specific Foundations level will be presented, in the following areas: phonemic awareness, phonics and word study, vocabulary, high frequency trick words, fluency, comprehension, handwriting, spelling, and punctuation. Educators will understand the principles of explicit, sequential, and cumulative instruction while engaging multiple learning styles. At the end of the workshop, participants will be able to create daily lesson plans, implement lesson activity procedures, and build a learning-focused classroom.

REGISTER EARLY; SPACE IS LIMITED. Registration for only one level is recommended.
