

WINTER 2022-2023 NEWSLETTER

Elliott Colantuono
Program Coordinator

As Winter settles itself upon us, we are getting very festive at Compass. Venturing out into the community we'll hit our favorite shops, share a meal, and maybe catch a movie. Sledding if the snow is just right, and of course hanging at our favorite arcades.

MEMORIES

Working on life skills this season, we're putting a big emphasis on learning how to cook meals for ourselves. Planning the recipe, buying ingredients, and learning the ins and outs of the Kitchen!
