This Month's Featured Internship: All About Kids Inc. (Daycare)

All About Kids Inc. is another one of our many business partners throughout the state. 'All About Kids' is a childcare/learning facility located in Coventry RI., focusing on children from 6 weeks to 5 years old. Each age group has a dedicated room to ensure they're provided with appropriate childcare for the child's age. Some of the responsibilities of our interns include: spending time with each child, promoting safety, fun, and positivity as a role model, and assisting in lunchtime tasks, nap time, and clean-up procedures. **(Pictured Left to Right)** Storytime with intern **Jon**. RITA Students Recognizing Black History Month, February 2024

Celebrating Black History Month in February. RITA Students dedicate time to participate in important class discussions and caring engagement with each other.

Black History Month was created to focus attention on the contributions of African Americans to the United States. It honors all Black people from all periods of U.S. history, from the enslaved people first brought over from Africa in the early 17th century to African Americans living in the US today.
